

Workshop:

**Supporting young talent for the future of
EU Regions and Cities**

Brussels, 9 October 2024

16,30-17,30

Session code 09WS241866

**Room AB-4B
Building name Albert Borschette Congress Center
Rue Froissart 36**

This session aims to identify the needs of regions to support the development of young people's skills and to optimize the use of EU funds for territorial cohesion.

We aim to foster a skilled workforce and integrate young professionals into the national and European labour market by enhancing administrative capacity across the public and private sectors. Active audience participation is encouraged.
